Mobile: + 91-8106467102

SKILLS

Languages: C, C++, Python

Framework: HTML, CSS, Java Script

Tools/Platforms: Canva, Networking, Free code camp

Soft Skills: Problem-Solving, Adaptability, Communication

PROJECTS

Water Footprint Calculation in Daily Use Items Using Machine Learning: Feb' 25-Mar' 25

- Developed an ML-based system using Linear Regression and Random Forest to predict the water footprint of daily-use products from real-world manufacturing datasets.
- Performed data prepossessing, feature engineering, and model evaluation (R^2, MAE, RMSE) to ensure accurate predictions.
- Integrated ESP32 + sensors + Firebase with a web dashboard (HTML/CSS/JS) for real-time data monitoring and visualization.

Smart Health Report Generator & Monitoring Device Using IOT: Jan' 25-Feb'25

- Built an IoT-based health monitoring device using ESP32/Arduino with DHT11, Pulse, and SpO2 sensors for real-time data collection.
- Developed a live dashboard and automated health report generation system using Python, Pandas, NumPy, and Matplotlib.
- Implemented cloud integration and alert notifications for continuous health tracking and abnormal condition detection.

TRAINING

Advanced Data Structures and C, C++ at LPU | Certificate Jun' 23-Jul' 25

- Earned an O grade, reflecting strong performance in the program.
- Gained practical knowledge of trees, graphs, hashing, heaps, and advanced storage techniques
- Completed a skill development course in Foundations and Data Structures

CERTIFICATES/CERTIFICATIONS

- Completed a 12-week NPTEL Privacy and Security In Online Social Media course | IIT Hyderabad | Link **Oct' 25**
- Computational Theory: Language Principle & Finite Automata Theory Link **May' 25**
- ChatGPT-4 Prompt Engineering: ChatGPT, Generative AI & LLM Link **Apr' 25**
- Build Generative AI Apps and solutions with No-code Tools Link **Apr' 25**

EXTRA-CURRICULAR ACTIVITIES:

- Worked in Community Development Project, Andhra Pradesh, Kadapa, actively participating in social service activities, community outreach programs.
- Participated in Block Se Block Hackathon

EDUCATION

Lovely Professional University **Punjab, India**
Bachelor of Technology - Computer Science and Engineering; ***CGPA:5.61*** Aug' 23-Present

SR junior college **Telangana, India**
Intermediate; **Percentage*: 85*** Sep' 21 – Mar' 23

Little Flower High School **Telangana, India**
Schooling; **Percentage*: 100*** Apr' 20- March' 21
